

Abstract Guidelines for Orchard OCD International Scientific Conference Poster Session 2026

Orchard OCD hereby invites attendees to submit abstracts for posters to be presented at the Orchard OCD International Scientific Conference that will be held in London, UK, at 30 Euston Square, on June 4-5, 2026. **Please note all posters at this meeting will only be posted on site, in the conference room.**

We will also be asking the top six Early Career Researchers to deliver a short oral presentation of their poster that will occur during the scientific program. We will contact the six authors selected to present their poster and prior to the meeting.

Abstract Guidelines

Deadline for submission for Poster Abstract: January 31st, 2026. Please send your poster abstract submissions to anamaria@orchardocd.org by the deadline.

Total word count: max 500 words (The abstract title, authors/institutions, disclosure information, support sources and references are NOT counted toward this allotment)

Abstracts should observe the following format:

- Full name name of author and co-authors,
- Full affiliation details,
- Abstracts are required to be text-only. Please no graphics (figures & tables).

Financial disclosure of each of the authors needed.

Policy and ethics needed.

The authors must declare that all experiments on human subjects and animal experiments were conducted in accordance with the relevant ethical standards and have passed the appropriate ethics boards.

Poster Guidelines

Accepted abstract authors will be asked to prepare a poster for onsite display at the meeting.

Posters should include and will be assessed based on the following: a background section which should also include the study question/purpose, a methods section, a results section, and a discussion/conclusion section as well as a minimum of 2 references. Posters will also be judged on the quality of the writing and communication.
